Exploring Fines for Women in Scotland

Researcher: Amy Cullen

I confirm that I have read and understood the Participant Information Sheet for the above study and have had the opportunity to ask questions.

I understand that my participation is voluntary and that I am free to withdraw at any time, without giving any reason.

I consent / do not consent (*delete as applicable*) to interviews being audio-recorded.

I acknowledge that:

- Whilst professional roles may be identified in the final report, all personal names and material likely to identify individuals will be anonymised in the final thesis.
- Participants in the study will be referred to by pseudonym.
- All study material will be treated as confidential and kept in secure storage at all times.
- All personal data will be destroyed once the project is complete (May 2024).
- Anonymised research data will be retained in secure storage for use in future academic research (for a period of 10 years, until the end of 2034).
- Other authenticated researchers may have access to this data only if they agree to preserve the confidentiality of the information as requested in this form.
- Anonymised research data may be used in future publications, both print and online.
- I have been provided with a Privacy Notice in relation to this research project.
