

**CONSENT TO PARTICIPATE (INTERVIEWS)
AGREEMENT TO THE USE OF DATA**

I understand that Alison Spence is collecting data in the form of interviews for use in an academic research project at the University of Glasgow. I have read the project information sheet and have had the opportunity to ask questions.

I consent to participate in the interview on the following terms:

1. I can leave any question unanswered.
2. The interview can be stopped at any point.

I agree to the processing of data for this project on the following terms:

1. Under the UK General Data Protection Regulation, I understand and accept that the lawful basis for the processing of personal data is that this research project constitutes 'a task in the public interest'.
2. I understand that I have the right to **access** data relating to me or that I have provided and to **object** where I have reason to believe that it has been misused or used for purposes other than those stated.
3. Project materials will be treated as confidential and stored securely at all times.
4. Interview recordings and transcriptions will be deleted when the project is completed.
5. Unless I indicate otherwise, I will not be identified by name in the project. All other names and information likely to identify individuals will be removed or redacted.
6. I may withdraw from the project at any time until the data-gathering phase is completed, without explanation. If I withdraw, all record of my contribution will be destroyed immediately.
7. A subset of data will be deposited in the University's data repository and be made available under open access licence for a minimum of ten years. Consent forms will be retained for the purposes of record.
8. Project materials may be used in future research and be cited and discussed in future publications, both print and online.

ANONYMITY (please tick one option):

- I agree to take part in the project on the condition that I remain anonymous and am identified only by a generic descriptor.
- I agree to take part in the project on the condition that I am identified by my job role and institutional affiliation. My name will not be used.
- I agree to take part in the project and wish to be identified by name.

ATTRIBUTION (please tick one option):

- I agree to take part in the project on the condition that my words will be paraphrased and no direct quotes will be used.
- I give permission for my words to be quoted directly in project outputs.

PARTICIPANT CONSENT:

- I agree to the terms for data processing as outlined above.
- I confirm I have been given information on how to exercise my rights of access and objection.
