

This data accompanies the publication in Optics Express entitled: “**Trimming of Silicon-on-Insulator Ring-resonators via Localized Laser Annealing**” Vera Biryukova, Graham J. Sharp, Charalambos Klitis, Marc Sorel

All data has been labelled in keeping with the figure numbers used in the publication, and has been organised as follows:

- All figures included in the publication can be found in folder entitled “Figures”
- All raw data from which the figures have been generated are included in folder entitled “rawData”

Please contact either Vera Biryukova ([v.biryukova.1@research.gla.ac.uk](mailto:v.biryukova.1@research.gla.ac.uk)) or Marc Sorel ([marc.sorel@glasgow.ac.uk](mailto:marc.sorel@glasgow.ac.uk)) for any questions/queries regarding this data or the publication.
